

# Fun Names for Speech Sounds

Sometimes when teaching young children how to produce speech sounds, it helps to give them fun names to help them remember what we are working on. I also pair the fun name with a picture for each speech sound to provide the children with both a visual and auditory cue. Below is a list of names for each speech sound that I compiled a few years from various sources. Have fun!

<i>Speech Sound</i>	Name
p	The Popping Sound
