

Chinese New Year Clothespin Letter/Picture Matching

Directions:

- Print out these pages on card stock, cut out, and laminate for durability
- For letter matching activity: You will need 12 clothespins. On each clothespin, write the first letter of each animal of the Chinese Zodiac. Have your child match the letter on the clothespin to the first letter of the animal's name on the wheel (which you will find is in a bigger font size) by attaching the clothespin onto the appropriate letter.
- For animal matching activity: You will need 12 clothespins. Print out and cut out the pictures of the animals on the third page of this document and glue them onto the clothespins. Have your child watch animal-to-animal by attaching the clothespin to the corresponding animal on the wheel.
- Looking for another great Chinese Zodiac/Chinese New Year activity? Check out the two sets of memory/go fish/describing cards I made [HERE](#).
